Reviewed 15th January 2023 by Claire Meadows-Smith

The Community Schools is committed to eliminating discrimination and encouraging diversity amongst our tutors and students. Our aim is that our tutors and students will be truly representative of all sections of society and the community and that each tutor and student will feel respected and able to give their best. To that end we are committed to provide equality and fairness for all in our recruitment and employment practices and not to discriminate on grounds of age, disability, gender reassignment, marriage/civil partnership status, pregnancy and maternity, race, religion or belief, sex or sexual orientation. We oppose all forms of unlawful and unfair discrimination.
